If approved for the electronic/PC access service for your accounts, you will be issued a password by the credit union to log in and subsequently you will be prompted to change to a password of your choice or you have the option of retaining your audio response PIN (Personal Identification number) number as your login password to use Online Access. At the present time, you may use the access service to:

- Withdraw funds from your share and share draft accounts by check
- Transfer funds or make payments from your share and share draft accounts
- Obtain balance information for your accounts
- Access your line of credit account
- Access our MemberPay online billpay system
- Access Mobile Banking and set up e-Alerts

Your account can be accessed under the electronic/PC access service via personal computer or cell phone. Services will be available for your convenience 24 hours per day. This service may be interrupted for a short time each day for data processing. We reserve the right to refuse any transaction, which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. All checks are payable to you as a primary member and will be mailed to your address of record. We may set other limits on the amount of any transaction. We may refuse to honor any transaction for which you do not have sufficient available verified funds. The service will discontinue if no transaction is entered after numerous unsuccessful attempts to enter a transaction, and there may be limits on the duration of each access.

There is no limit to the number of inquiries, transfers, or withdrawal requests you may make in any one day.
